

**Imagine that you are a Brownie Six. We are going to have a Pow Wow and your Sixer will be bringing forward your ideas for next term's planning. Some suggestions are written on these cards. Make a pyramid with one card on the top row, 2 on row 2, 3 on row 3 etc. Put the group's favourite activity or the one they most want to do on the top row followed by all your other favourite activities in descending order. You are allowed to choose 3 activities that you do not want to do and leave these out of the pyramid.**
